

The Best Hometown In The Army

Visiting Fort Leavenworth?

If you don't have a Department of Defense issued ID card, you must stop by the Visitor Center at the corner of Metropolitan Avenue and 4th Street. Follow directional signs to the center's parking lot.

At the visitors' center, reception clerks will verify that the vehicle driver has a valid license, registration and proof of insurance and that all passengers have either a driver's license or other form of government photo ID. Following a

routine background check, visitors will receive a temporary pass and instructions allowing them to enter the installation. Don't be intimidated by our access procedures.

Fort Leavenworth encourages visitors to our historic post and you are welcome here. These security measures are to keep all of us safe!
